103

By FML

This could be entitled: "Only those who know him could understand."

Ol' 103 is not a plumber, to be sure. My wife knows this well, but she forgets such things. One night, she asks me to do something about the stopped up pipe on the wash basin at the house.

Stopped - up is hardly a good description, we learned later. But that's not the point.

103 - 103 - 103

I go to a friend's house and borrow a pipe wrench, the kind that easily twists pipes in half when in the hands of a non-plumber (me).

Back to the house, loose comes the elbow - shaped pipe, out goes the clutter of old toothpaste caps, bobby pins, toothbrushes, etc. Ah, but the pipe needs washing out.

103 - 103 - 103

My wife describes it in disbelief and with gusto: "All at once I hear water runnning and a scream that sounds incredibly like: "Janet, bring me a mop."

She did (bring a mop) and I had (turned on the water to rinse out the pipe which was disconnected and could not carry the water which, of course, ran all over the bathroom floor.)

I got what I deserve, a huge, unequivocal horse laugh from the wife, whose tears of laughter were almost as deep as the puddle on the bathroom floor.

As if this were not enough, my friend told us later that he knew better than turn a newspaperman loose with a pipe wrench, but did so out of shock when asked to loan it.

Nobody believes such things happen, least of all the perpetrator. But I assure you this expose washes clean any pangs of conscience about doing the ridiculous, almost as clean as that bathroom floor has been since the pipe wasn't there.

New Bus Agent, Terminal Location Named In Cameron

Officials of Arrow Coach Lines and Central Texas Bus Lines this week jointly announced appointment of a new Cameron bus agent and new location of the Cameron bus terminal.

Albert McCullin, Jr., of Cameron, has been named passenger and bus express agent.

New location of the bus terminal was opened Monday at Mack's Oil Company, on US 77 at the Underpass.

Bus Company officials said that all service and bus schedules would remain the same in Cameron. Ten buses serve Cameron daily, connect the city with other points in Texas.

Former location of the bus terminal was the the Milam Hotel, on the Courthouse Square. The terminal has been at the Milam for 25 years.

McCullin will handle the sale of passenger tickets, express delivery and charter bus service.

CCC TO HOST 32ND TOURNEY

Cameron Country Club will host about 150 golfers Sunday during the 32nd annual CCC Invitational Men's Golf Tournament.

Tournament chairman Dr. C. G. Swift said that tee off time for traditional Cameron golf attraction is 8 a. m.

He said the tournament usually attracts golfers from cities throughout Central Texas including: Waco, Killeen, Bryan, Hearne, Austin, Temple and Rockdale.

Prizes will go winners of first, second and third places.

AUTO VICTIMS RECOVERING IN CITY HOSPITAL

The four persons injured early Saturday in a two - car collision at an intersection three miles north of Cameron are reported by Newton Hospital as in "satisfactory condition."

Mrs. Harold Daniels, of Temple; and Mr. and Mrs. Joel Thompson of Waco and son, Phillip were hospitalized after their cars collided at the intersection of FM 485 and US 77.

The Thompsons' other son, Johnny, was treated for scratches and released.

Highway Patrolman Gilbert Smith said the vehicle driven by Mrs. Daniels was traveling east on FM 485 and was struck by the Thompsons as it crossed US 77. Both cars were demolished, he said.

Smith said Mrs. Daniels would probably be charged with failure to yield right of way, but no charges would be considered until he has talked to her.

Mrs. Daniels' husband, Harold Daniels arrived in Cameron Saturday from Fort Polk, La., where he is serving with the 49th Armored Division.

Two Draw Terms In District Court

Two men Monday were assessed a total of eight years in the State Penitentiary in Milam District Court.

District Judge W. C. Wallace assessed a term of four years for Ted Eugene Gardner upon a plea of guilty to burglarizing the home of Vernon Aldridge, of Rockdale.

And George Joseph Mata drew two - year terms upon a finding of guilty of burglary and feliny theft. Mata, fourth in a group charged with burglary of the George Triggs Store at Sharp, also entered a plea of guilty. Dist.-Atty Jack Prescott reported.

Bloodmobile To Be Here Friday

The Bloodmobile unit will be in Cameron Friday for its regularly scheduled visit. Cameron's quota for this visit is 70 pints of blood.

According to the past experience of the Volunteer Blood Program, it will take 96 donors in order for the quota of 70 pints to be met. For various reasons, some persons are unable to give blood at certain times because of low iron, sickness or other factors.

Several local churches and civic groups are making a fine effort to till the quotas which have been assigned to them. These groups are St. Monica's Catholic Church, First Christian Church, First Presbyterian Church, First Methodist Church, Lights Chapel Baptist Church, Lions Club, Rotary Club, Hope Lutheran Church of Buckholts, and two of Cameron's business concerns, McLane Company Wholesale and Lone Star Gas Cimpany.

Cooperation has been very good and it is expected that the community organizations will once again do their best to see that the quota is met.

The Bloodmobile will be stationed at the Fellowship Hall of the First Methodist Church from 12 noon until 6 p. m. Friday.

NEW LOCATION NEEDS SUPPORT FOR OPERATION

The City Council Tuesday heard an appeal for budget funds from a delegation from the Cameron Library Board and approved a $1,309 sewerline extension project in Northeast Cameron.

Oxsheer Smith, spokesman for the four - man library delegation, appealed for City support of the newly remodeled Cameron Library at 112 E. First St.

The delegation asked consideration for a library operating budget of $900 a year in the new City Budget for 1962 - 63. The new budget is drawn up in September of each year for public hearing prior to the new fiscal year of October 1.

OPERATING FUNDS

Smith cited the need for operating funds for the Library, once supported through the currently defunct North Milam United fund. Funds go toward a parttime librarian's salary, usual operating costs and new books, Smith said.

The Cameron Library is currently conducting a campaign of its own to re - establish the sustaining membership of the Cameron Library, begun in 1955. Sustaining membership is $1 or more with the amount determined by the donor.

A list of original sustaining members of the Cameron Library is on an inside page of this edition.

Smith noted the Library's appeal to the youth of the community, who use books they cannot afford to buy.

Judge W. C. Wallace also cited the redecorated facilities at the new location and joined with Smith in inviting City officials and the general public to visit the four-room structure.

Mayor Coleman Duncum told the delegation that the Council would give the fund request consideration when the 1962 - 63 budget is drawn up later this year. Representing the Library were Dr. George Bowman, E. A. Perrin, Judge Wallace and Smith.

In approving the sewerline project, the Council voted to start work as soon as prior committments for similar work were complete.

ADDITIONAL SERVICE

City Water Supt. Alvin Hefft said the project would bring service to three existing houses, three planned for construction and improve service in seven others. Service would reach Golf Lines Ave, near the Cameron Country Club golf course and vicinity where new homes are planned, Hefft said.

Public Works Supt. J. B. Earle noted that a 1962 garbage truck had gone into service this week, replacing a 1957 Dodge. A second garbage truck and a trash truck round out the equipment used by the city for regular garbage and trash pickup service.

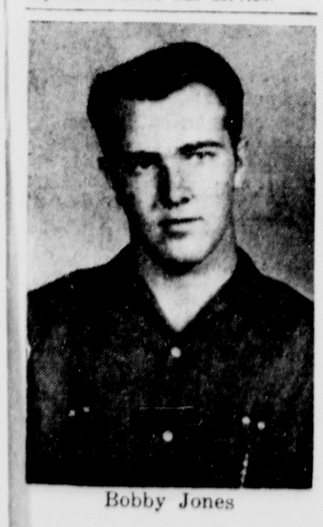
Earle said paving was completed on North Milam from E. Sixth to E. Seventh St. and that workmen were fogging the city against mosquitos each night this week.

Hefft noted that work was continuing on the North Austin sewerline extension project, expected to be completed soon.

The Council also heard a request from Mrs. Joe G. Matula, 707 North Milam, for an improved and widened street in front of her house. She said the street was too narrow for parking a car in front of her home. Duncum said the Council would review deed records.

Miss Miller, Jones ....

Okla. Trip For Two Countians



Bobby Jones

Linda Miller

Bobby Jones, son of Mr. and Mrs. George Jones, Rt. 3, Cameron and a member of the junior class at Yoe High School and Miss Linda Faye Miller, daughter of Mr. and Mrs. James C. Miller of Rockdale and also a junior at Rockdale High School were chosen winners for the Citizenship Youth Program sponsored by the Milam County Farm Bureau held May 10 at the Methodist Fellowship Hall in Cameron.

Judges for the contest were Edwin Easterwood, Maxwell Jones, and Mrs. Wayne Chipman all of Temple. Ernie Wayne Laurence, son of Mr. and Mrs. E. L. Laurence of Rockdale was chosen runner - up.

Other contestants in the program were Dorothy Solomon, Milano; Kenneth Unnasch, Thorndale; Shirley Lehmann, Thorndale.

The two winners will be given an all expense paid trip by the Milam County Farm Bureau, July 9 - 13 to attend the Youth Citizenship Seminar to be held at the Oklahoma Christian College, Oklahoma City, Okla.

Misses Sarah and Ann Arthur, daughters of Mr. and Mrs. Wm. F. Arthur gave piano selections on the program. Ladies of the Cameron Home Demonstration Club served delicious refreshments at the close of the program.

Milam Demo Convention

Delegates, Resolves Ok'd

A harmonious Milam County Democratic Convention Saturday named 16 delegates to the State Democratic Convention and approved three resolutions.

Milam Democratic Chairman Max McClaren, elected Convention chairman, reported that three resolutions of four were approved and a 16 - man delegation was named to the El Paso Convention September 18.

John Henderson, Jr., Cameron attorney, was named chairman of the following delegation: John Weed State - Rep. Nominee Milton Schiller, Mr. and Mrs. John Henderson, Jr., Mr. and Mrs. R. L. Abbott, Ben Ford, Marvin Hendrick, Gilbert Becker, E. C. Mowdy, Henry Anthis, Leonard Allen, G. R. Varner, L. L. Williams and L. A. Romine.

Alternates named are: Robert Orr, Ed Sexton, Robert Ross, C. R. Law, Harry W. Clark, Joe Yeager, Martin Rodenbeck, W. C. Wallace, Emory B. Camp, Jack Prescott, Don G. Humble, Ted Ford, L. W. Petty, Eugene Smitherman and Emory Doss.

McClaren said the Convention, meeting in the District Courtroom of Milam Courthouse, approved three resolutions, but tabled a fourth as not germane to the activities of the Convention.

Resolutions approved were:

"ONE — Be it resolved by the Milam County Democrats that we commend the Kennedy - Johnson Administration on the fine work that is has done for the nation.

"TWO — Be it resolved by the Milam County Democrats that this Convention urge all candidates to take advantage of the free television and radio time offered in the public interest to better inform the people of Texas on their position on the issues in question.

"THREE — That Democrats subscribe to the majority rule, the keystone of democracy, endorsing a three - point program:

"1. Supporting the Party nominees in the general election.

"2. Supporting the State Convention Platform.

"3. Operating the Party organization through its duly elected officials."

A fourth resolution concerning the current controversy over state textbooks was tabled as not being the business of the Convention, McClaren said.

On Milam's Farms And Ranches

News About Milam Farmers, Their Interests, And Activities

Milam ASCS Report

By Milam County ASCS

In the near future reporters will begin measuring cotton, peanuts soil bank base crops and feed grain diverted acreage. Each producer is responsible for assisting in the measuring of the land that is planted and the land that is diverted. Your cooperation in helping us in this manner will be appreciated.

With the 1962 wool marketing year just starting producers are reminded to retain their original sales documents of wool and unshorn lambs. Wool and lambs marketed no later than March 31, 1963 will be eligible for payment under the 1962 program. The sales documents for shorn wool must show name and address of seller, date of sale, net weight of shorn wool the net amount received by the producer, the name and address of the purchaser and must bear a handwritten signature by or on behalf of the person or firm issuing the sales document. A carbon impression or facsimile of a handwritten signature is not acceptable.

The sales documents for unshorn lambs must show the name and address of seller, date of sale, number of unshorn lambs sold: If the sale document does not clearly identify the animals as lambs that had never been shorn at the time of sale, the person issuing the sale document shall add a statement to that effect. The sales document must also show the liveweight of unshorn lambs sold, name and address of the purchaser and a handwritten signature of the person issuing the receipt.

Payments to producers under the 1961 wool program will be made sometime in July 1962.

Farm to Market Road Set For Milam County

The Texas Highway Commission today announced the approval of an expenditure of $100,000 for construction of new Farm to Market Road mileage in Milam County as part of the 1962 FM Road Program, announced District Engineer

The District Engineer said 3.8 miles in this county will be involved. The work will be under the supervision of Carol D. Zeigler, Resident Engineer, Hearne.

The work authorized for this county is part of the new $23¼ million FM Road Construction Program which will invilve 179 counties throughout the state. Some 1,216 miles of newly designated farm and ranch roads will be built under the program.

Herbert C. Petry, Jr., Chairman of the Commission, poined out that moe miles of new farm roads will be constructed under this program than has been possible in recent years. Normally, about 1,000 miles of new FM roads are added to the highway system each year--but the 1962 program represents an increase of more than 200 miles above the average.

The new FM program is a one-year program. Future FM programs will remain on a one - year basis, the Commission said.

The following road has been approved for this county:

From FM 2268 near Val Verde, south to Davilla, a distance of approximately 3.8 miles.

COTTON REPORT

Warm, open weather was favorable for farming activities. Cotton planting was well advanced. Trading in the spot markets remained slow. Shipper buying was light. Domestic and export interest was slightly stronger.

Plants are making satisfactory development but in all stages of growth. Fields were full of bloom. Cultivation was good. The insect infestation was extremely favorable with only minor damage so far. In the Coastal bend section crop prospects range from poor to good. The southern counties still need moisture to produce a crop. In other counties of this area many fields are too wet to cultivate and are very weedy and grassy. Plant growth ranged from not up to putting on squares. In central Texas most of the planting and replanting was complete. Generally the crop is plant growth was satisfactory.

4-H Club Notes

By Pat C. Garner
Ass't Milam County Agent

Five 4 - H members drew for Seasr gilts at the County Extension office on Thursday, May 8. 4-H members receiving Sears gilts were Johnny Mann, Patsy Stevens, Randy Graves, Curtis Parsons and Reed Davis. These five 4-H members were drawn from several who turned in their names for Sears gilts.

The Sears boar was awarded to Calvin Shenkir, Jr.

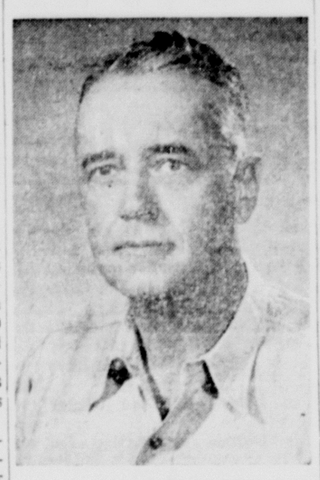
These five 4-H members will raise the pig given them, show at the local Sears Show to be held in September, raise a litter from their gilt and return the best gilt of the litter to some other 4-H boy or girl.

Milam County has had a Sears Swine program for over 14 years. 4-H members have done very well at the District Sears Show in the past and in the various contests connected with the program.

Short Courses On Farm Welding Set May 21 - 25

A farm welding short course for adult farmers will be held May 21 to 25 under the sponsorship of the Cameron Yoe High School Vocational Agriculture Department, according to Supt. Charles Zeigler and C. Titsworth, teacher of Vocational Agriculture.

C. B. Edwards, welding specialist with the Vocational Agriculture Division of the Texas Education Agency and the Department of Agriculture Engineering at Texas A & M College, will do the instructing in the course. He is headquartered at Texas A & M College.



Edwards holds two college degrees, a B. S. in Agricultural Education from Texas A & M and an M. S. in Agricultural Education Animal Husbandry from Oklahoma A & M and in addition, has several graduate hours at the University of Texas. Edwards has had experience as a vocational agriculture teacher and as supervisor of state schools.

"Many welding short courses in various parts of the state have been taught by Edwards and all have met with outstanding success," according to Lester Buford, area supervisor of vocational agriculture. Arrangements for adult education short course in welding and other fields are made through Buford's office.

The Short course at Yoe High is scheduled to begin May 21 at 7 p. m. in the vocational agriculture building. Ohter meetings in the series of 5 days will be held May 21 to 25. During the dates the short course is in progress, Edwards will be available to assist farmers with individual problems and to provide on - the -farm instruction, according to C. Titsworth.

Farmers interested in attending the short course should write or call the Supt. Zeigler or the teacher of vocational agriculture, C. Titsworth. An entry fee of $5.00 will be charged. Farm welding Short Course Certificates are to be presented to each enrollee who attends all ta training sessions.

County Agents Notes

Thrip Damage Noted In Cotton

By J. D. Moore
Milam County Agent

Fields of early planted cotton showed thrip infestation last week even though the fields had been poisoned earlier with one application. High winds last week handicapped the proper application of poisons as well as the effectiveness of control measures. Excessive tractor speed was noted in some cases.

Thrip dosages should be continued until control is evident. This includes the poison mixtures of Toxaphene - DDT., Dieldrin - DDT, etc. Field inspections continue to be the best way to determine insect control needs.

PECAN SPRAY RECOMMENDATION

Nut casebearer egg laying was heavy in Bexar and Guadalupe counties from May 9 to 12. Guadalupe growers started applying long residual sprays such as DDT, etc on May 12. Based on the assumption that these eggs will hatch in 4 to 5 days, these growers plan to apply Malathion when 3 per cent of the nuts have been entered by small worms. In this way they hope to kill the peak population that will soon follow after the 3 per cent infestation.

Milam growers should use the ddt or residual sprays if applied this week, 14 to 20 .

Casebearer activity is expected from May 18 to 20. If worm activity occurs, Malathion spray is more effective for immediate control.

BOBWHITE NEWS

Hatchery raised bobwhite quail, by agreement with the Texas Game and Fish Commission, are available to 4-H Clubs and FFA Chapters for quail management demonstrations, reports Ed Cooper, extension wildlife specialist. Details from game wardens or conservation officers and from local county agents, Cooper said.

Cameron CYO Hold District Meet Sun.

The regular meeting of the Cameron District CYO was held in Cameron April 29. James Barta presided with about 250 CYO members present. Japanese lanterns, fans and umbrellas depicted an Oriental theme.

The Dime Box girls and Caldwell boys were awarded trophies for winning the District Volleyball championship. Plans were made for a District Outing to be held in Cameron early in July. A new activity was planned for a Bi-District Outing to be held with the Brenham District.

Rev. Alfred Kallus, former Cameron District Moderator, was the guest speaker for the day. The business meeting was followed by a barbecue supper and entertainment by the Cameron Club.

A dance was held with the Belaires of Temple furnishing the music.

PIANO RECITAL

Mrs. C. W. Bradbury will present her piano students in a recital Friday night May 18, at 8 p. m. at Yoe High Auditorium. The public is cordially invited.

"Round-UP" Set For Ben Milam

Ben Milam School "Round - up" for next years first graders has been set for Thursday and Friday, May 17 and 18. The hours are 2:45 to 3:45 p. m. The registration procedures will be held in the Ben Milam Cafetorium.

Parents are to bring only their children who are to be in the first grade next year. Parents must bring the child's birth certificate and their immunization records of all their shots which include the small pox and the DPT series of shot.

Children must be six years old on or by September 1, 1962, before they can be enrolled; children, not six years old by this date cannot be accepted for enrollment on account of state laws.

PEST CONTROL

Broadened regulations make effective recently bring under surveillance of the U. S. Department of Agriculture practically all chemicals and devices intended for destroying or repelling pests. An amendment to regulations for enforcing the Federal Insecticide, Fungicide and Rodenticide Act requires fully adequate labeling of several classes of chemicals which were not previously under the jurisdictionof the USDA.

Parents will be furnished a copy of the list of supplies that first graders will need on opening day next fall when school begins. Parents are invited and urged to enroll their children in this spring "round - up" according to Max McClaren, principal.

June Draft Quota 237 For Texas

AUSTIN — The state quota for Texas draft boards in June calls for 237 men, Colonel Morris S. Schwartz, state selective Service director, announced Friday.

The state's June call of 237 compares with a quota of 218 for May and 244 for April. The June call is the state's share of a national quota of 6,500 men, all for the Army.

Col. Schwartz also announced that local boards would send no men for pre - induction physical and mental examinations in June.

Local board quotas for the June call already have been figured and mailed to local boards.

The June quota will be filled with men who are at least 22 years old on June 1, except volunteers

Speaking for 180,000 physician-members...the AMA believes you deserve to know exactly where we doctors stand on the question of:

MEDICAL AID FOR THE AGED

HERE'S WHAT WE FAVOR:

The doctors of America believe that our aged citizens who need medical care should get it, whether or not they can afford to pay for it.

We favor a program of medical aid for the aged sensibly designed to *help those who need* help — that allows millions who can afford it to pay for their own medical care.

Such a program was enacted by Congress last year. It's the Kerr-Mills law, which has the enthusiastic support of America's doctors. Specifically, the law provides for Federal grants-in-aid to the individual states, enabling them to provide health care for those among the elderly who need help. The benefits of this locally administered program also include the 2½-million Americans eligible for Old Age Assistance . . . and protect all other senior citizens who cannot meet the costs of a serious or long-lasting illness.

The Kerr-Mills law represents a common-sense approach to solving a problem that concerns us all. As doctors, we support it — because our first consideration is the health and life of our patients. As Americans, we endorse it — because helping those who need help is the obligation of all decent people.

HERE ARE JUST A FEW REASONS WHY WE BELIEVE THIS NEW LAW DESERVES YOUR SUPPORT:

- It preserves the quality of medical care — maintaining the patient's freedom of choice and the doctor's freedom to treat his patients in an individual way.
- Its benefits are unlimited, with medical aid authorized for any person over 65 who needs help.
- It is now being put into operation in 46 states, with the full support of the medical profession. And certainly each state is far more aware than the Federal Government of its own particular problems.
- It supplements the individual's right to participate in voluntary health insurance programs.
- It avoids waste of tax dollars, because it's geared to need . . . does not make Federal dependents out of all the elderly able to meet their own health-care expenses.

HERE'S WHAT WE REJECT:

As Americans — not simply as physicians — we are deeply concerned about the dangers of Socialized Medicine. And we are not crying "wolf" when we apply that term to the currently proposed legislation which would establish a COMPULSORY health-care program for everyone covered by Social Security (regardless of need). The Socialist Party itself calls this Socialized Medicine. And we believe they have a more expert knowledge of socialist definitions than do those who describe the Social Security approach as "just a method of financing aid for the aged."

This COMPULSORY health-care program adds up to nothing more than Socialized Medicine — controlled by a bureau of the Federal Government . . . paid for by increased Social Security taxes, burdening both present and future generations. Confined at first to the aged, it would inevitably be expanded to cover all Americans.

Moreover, when the Federal Government enters the privacy of the examination room — controlling both standards of practice and choice of practitioner — the cost includes loss of freedom. Your doctor's freedom to treat you in an individual way. Your freedom to choose your own doctor. When the physician is socialized, his patient is socialized as well.

HERE ARE MORE REASONS WHY WE BELIEVE SOCIALIZED MEDICINE FOR THE AGED SHOULD BE REJECTED:

- It would lower the quality of health care, with remote and impersonal bureaucratic control replacing the confidence and closeness of the doctor-patient relationship.
- It would lead to the decline, if not the end, of voluntary health insurance programs.
- The Socialized Medicine for the Aged legislation now before Congress would lead to a further cut in take-home pay because of even greater increases in the Social Security tax — already rising and scheduled to reach 9% of payroll within just eight years.
- It would create a vast and costly complexity of new bureaucratic task forces, supervising medical care from Washington, D.C. . . . far-removed from the essential understanding of local and individual needs.

IF YOU AGREE WITH US that a compulsory health-care program for any segment of our population would be bad for the nation, we urge you to write your Senators and Congressman. Urge them to reject Socialized Medicine in any form . . . to use our present program of medical care for the aged, administered locally, that *helps* those who need *help*.

A Fast Start Means SOONER TO MARKET

Today pigs fed the Purina Way go to market 2 weeks sooner than they did just 10 short years ago. **The faster the start — the sooner to market!**

Purina Baby Pig Chow and Pig Startena — famous as the "fast start" twins — help start pigs fast on the market road.

Purina Baby Pig Chow and Pig Startena are palatable and nutritious — pigs go to 'em early.

The "fast start" twins keep pigs gaining because they carry vitamins, minerals, and antibiotics baby pigs need for health and growth.

This Spring put the "fast start" twins—Baby Pig Chow and Pig Startena — to work for you. We have these products available at our store with the Checkerboard Sign. Prove to yourself Purina feeding costs you less.

Purina tests Pinpoint Best Dairy Breeding Period

Purina tests how it's good dairy management to wait at least 60 days after calving before breeding the dairy cow. The cow's uterus return to normal size and shape about 30 days following calving, but the mucosal linning requires an additional 20 to 30 days for complete recovery.

The table below gives results in breeding 150 cows of four dairy breeds. These cows were in good health and condition. See how average conception rate increases rapidly between 50 and 60 days and continues to increase as the period following calving increases. However the economic point is probably between 60 and 90 days.

Interval from Calving to first service	Per cent Conception	Days from calving to conception
50 days or less	31	100
51 - 60 days	67	75
61 - 90 days	70	94
91 days and over	76	130

Three Arts Club Closes Year With Hawaiian Party

The John Davis home was decorated in a Hawaiian theme for the last meeting of the Three Arts Club Thursday afternoon. Mrs. Perry Holder was guest speaker.

The mail box at the front door held an arrangement of caladium leaves and a basket in the entryway was filled with gaily colored leis for each guest.

Among table decorations in the living room was a large pineapple fashioned of calendula blossoms and fern. A table size woven basket was filled with fruit and artificial orchids were entwined on driftwood over the fireplace.

Introduced by Mrs. Davis, Mrs. Holder gave a fascinating folk tale about the beginning of the paradise type island taken from James Mitcheners novel "Hawaii." Following her talk she showed slides taken in Hawaii and other countries that the Holders visited on a recent world tour.

Refreshments carrying out the Hawaiian theme were served following the meeting. A serving dish centered with a large pineapple held fresh fruits. Mrs. E. O. Smith Jr. presided at the silver coffee service.

Mrs. William Joseph Gelner

Hubnik, Gelner Rites At St. Monicas

Miss Caroline Hubnik and Willian Joseph Gelner both of Cameron were united in marriage in a double ring ceremony April 28 at St. Monica's Catholic Church in Cameron. Rev. John T. Geiser performed the ceremony.

The bride is the daughter of Mr. and Mrs. Frank J. Hubnik of Rt. 3, Cameron and the groom is the son of Mr. and Mrs. John Gelner Sr. of Rt. 1, Cameron.

Music was provided by Mrs. Frank Hanel.

Given in marriage by her father, the bride wore a bouffant dress of Imported Alencon lace over taffeta which featured a scalloped neckline with sequin trim and long sleeves which tapered to a point.

Her tiered fingertip length veil of illusion fell from a crown of sequins and pearls. She carried a cascade bouquet of white carntions centered with a white orchid.

Witnesses were Frank Zavrel of Rockdale, Uncle of the bride and John Gelner Jr. of Arcadia, brother of the bridegroom. Attendants were Georgia Ann Hubnik, sister of the bride, Jo Ann Rozner, cousin of the bride, Joyce Ann Dubacak and Julia Simecek, cousin of the bridegroom.

The attendants dresses were of pink taffeta and they carried bouquets of pink carnations surrounded by white ribbon.

Groomsmen were Robert Glaser, Paul Gerick, cousin of the groom, Frankie Joe Hubnik, brother of the bride and Michael Kubacak, cousin of the groom.

Ushers were Martin Mitchan, cousin of the bride and August Kubacak uncle of the groom.

A breakfast for the bridal party was given by the bride's grandparents at their home. A dinner was held at the Simon - George Hall. The table was covered with a white cutwork tablecloth.

Mrs. August Kubacak, aunt of the groom and Mrs. Eugene Mitchan, cousin of the bride, served the three - tiered wedding cake which was topped with a miniature bride and groom.

The bride is a senior at Yoe High School and the groom is a 1959 graduate of Yoe High School.

Miss Fischer Given Bridal Shower Sat.

Many Thanks for your support

In the primary

The votes I received in this county enabled me to go into the June 2 runoff with a 73,000 vote lead. Your continued support will be greatly appreciated.

In the runoff, I shall continue to conduct a clean campaign, just as I did in the primary. I hope you will censure any efforts to inject mud-slinging into this campaign.

Murray-Go-Round

By Tom Murray

Herman Morgan, the rich-man's Bob Schultz at SMU, sounded a little phoney squawking over Navy's attempted recruiting of Galena Park Mike Smith and Geren Graham. Old Sleepy yelled something about tampering with boys already signed and yet he's had great joy telling how he talked Don Meredith into tearing up a University of Texas letter - of - intent before that great passer's parents could put their signature along side his. ..... Shorty Lawson, popular southwest Conference basketball official, is supposed to have told the state official giving him that lie detector test: "If this machine breaks down, I got dibbies on the cell next to Candy Barr." ..... Bud Shrake: "Baseball has a peculiar set of values. Al Helfer makes about $35,000 as a broadcaster of Houston games and Harry Craft makes about $22,500 for managing the club."

Bibb Falk, University of Texas' crusty baseball coach, has a sign on his training room wall which says: "Don't find too much fault with the umpires -- after all, you can't expect them to be as smart as you." ..... Abe Martin, TCU's great predictor, says of his nine-foot quarterback, Sonny Gibbs: "He will be the best quarterback in the country, bar none!".

MORE OF THE SAME:

Roman Majeas, Houston Colt 45 outfielder, after smashing a homer against the Cardinals: "It makes me happy to see my name up there in the lights." ..... It was homecoming for many when the St. Louis Cardinals came into Houston, particularly for Rightfielder Carl Warwick. The former TCU All - American, from Dallas, married a pretty Baytown girl, Nancy Hensler and has a big Texas following.

Bayloristes pumped Sophomore Fire - baller Pete Charton, BT (Before Texas shelled him) but Rice would not swap its great first year man, First - baseman Joe Tigett for him. The power - hitting Owl first - sacker, from Seguin, has major league scouts talking to themselves ..... Talking about Charlie Hartenstein's three-hit shutout of then SWC - leading Baylor, 8-0? It was the ex-Matador's first collegiate start and he looked a lot larger to the Bears than his 150 - pounds.

Folks who know are convinced Frank Broyles is building a football dynasty to pale that Oklahoma enjoyed for years. He's got football material stacked at Arkansas ..... A Southwest Conference coach, who observed LSU in spring training, says Baytown's Vernon McManus, was "loooking great, is a heckuva football player."

Could it really be true that one of the SWC's private institutions lured one of the state's top backs by giving his brother a scholarship?

AND THEN MORE--

Ernie Vossler, on what makes Arnold Palmer the super man he is with a golf mallet in his mitts: "Palmer is less susceptible to frustration and annoyance than any man. He broods, of course, but he snaps out of it quicker than any player I've ever seen. The guy never lets anything interfere with his determination." ..... Dan Jenkins, Dallas Times - Herald columnist, thinks Palmer, Dow Finsterwald and Gary Player split the first - place Masters' swag three ways before that Augusta playoff. Writes Jenkins, "In the case of the Masters, a cut was fine with him (Palmer) because Finsterwald is his oldest and closest friend on the tour and Player is his newest LaMarque's Orlando Blackburn, of the Texas' leading newspapering golfers, cover the Masters annually.

Look out for Oklahoma! Bud Wilkinson, one of the County's more stubborn men, has given up straight losses to Texas, and will go to the Wing-T with guards pulling ..... Lee Ballanfant, vet Colt 45 scout, says pickin's are pretty slim in the SWC this spring ... Did you hear about the college prez who thought a 5-5 football season was highly desirable? "Win more and the NCAA wants to know why. Lose more and the alumni ask why," he explained.

EGG MANAGEMENT

Profit, service, customer satisfaction and good marketing management are four mighty important objectives for poultrymen, retailers and other handlers of eggs, says F. .Z Beanblossom, extension poultry marketing specialist. How well these objectives are carried out can have a strong bearing on how successful each will be in business, he adds.

Outdoors In Texas

By Vern Sanford

How familiar are you with the various languages?

Can you speak Spanish? German? French? Italian? These and some others are to be heard in Texas. Used infrequently, 'tis true. But used!

There's one language you'd better get familiar with right away if ever you're going to become a real, down - to - earth honest-to - goodness outdoorsman. It's what we choose to call "Fishman" -- for the lack of a better name or sumpin.'

Anyway once you learn about 20 or 30 words you've mastered the language.

For instance, when a fellow angler hails you from a passing boat, one word speaks his language. It 's "Hiyamac." And it means what it says, "How are you, Mack".

Or he may say "Lobuddy." meaning of course, "Hello, Buddy."

Anyway, if you top to chat, the conversation goes like this:

"Binearlong?"
"Couplours."
"Ketchanenny?"
"Adddafew."
"Kindarthay?"
"Bassencrap."
"Enysizetoum?"
"Coplapowns."
"Hittinard?"
"Sordalite."
"Wahchoozin?"
"Gobbawurms."
"Fishanonaboddum?"
"Rydonnaboddum."
"Igoddago."
"Tubad."
"See yaround."
"Yeahtakideezy."
"Guluk."

Now do you savvy -- entiende--comprehende? Kinda confusin' wasn't it?

Anyway, that's the way it's said by the "Fisherman" method -- when "fishmen" meet.

Really don't think the language is limited that area, however, for we've found traces of it everywhere.

Havenchu?

LADY'S STOMACH LIKE GAS FACTORY

One lady said her stomach used to be like a "gas factory!" That is, gas often formed in such large quantity she suffered terribly. Gassy "catches" hurt with each deep breath. Now, however, this lady says she enjoys her meals, and she says the change is due to taking V.I.H. "Oh! What relief!" states this lady. "Why don't other gas suffering people get V.I.H.?

V.I.H. is helping such gas "victims". This new medicine is taken before meals, so it works with your food—helps you digest food faster and better. Gas pains go! Bloat vanishes!

V.I.H. contains No Alcohol — No Habit Forming Drugs whatever, but is made mostly from Nature's own roots, barks, herbs and leaves, combined with other splendid ingredients. In all it contains over 20 fine ingredients.

It has relieved many people who had never been really helped before by any medicine. Get V.I.H. today! Then Eat, Sleep and Feel Better.

V.I.H. IS SOLD AT ALL LEADING DRUG STORES.

Lewis Shoe Stores has been honored with second place in National competition for featuring brand names in your media by the Brand Names Foundation, Inc. of New York.

We want to thank you for your cooperation and assistance you have given Mr. Manning in helping us win this highly cherished award.

Lewis Shoe Store was the only shoe store in the whole southwest who qualified for nomination and our winning second place in the United States is a tribute to you for your excellent handling of the account.

We are naturally very proud of Mr. Manning for the part he played in helping us win this award. His continued effort in telling Cameron area customers about the brands Lewis Shoe Stores carry have given his customers the knowledge that shoes purchased in Cameron are of nationally known quality. Without your media to convey this story, this would not have been possible.

Again, please accept our thanks.

Sincerely yours,
Joe Lewis

Hunger Stronger Than Negotiation

American troops are in the Thailand area, awaiting the prospects of a Communist invasion into that Southeast Asian country.

And American military leadership is finally acknowledging a long, drawn-out guerrilla war of years rather than months in Laos.

Often called a powder keg, the Southeast Asian area is actually the bread basket of Asia proper and certainly the immediate objective of Communist China.

China's starving millions force Red expansion further into the Peninsula, where food is plentiful and life is comparatively easy.

Developments in this area show the vast spread between American diplomatic hopes and Communist military realities.

Since Binhdinh Phu's collapse in 1954, Communist guerilla action has taken advantage of the power vacuum in Southeast Asia. Shaky Laos is being rent assunder by indifferent government action amidst explosive Communist guerrilla tactics, The people, in fact don't seem interested in Communism, the war or politics in general.

While U. S. advisory troops work to make the Laotian military effective, our Marines await near Thailand, possibly another Korea.

This has been going on for eight years, with or without U. S. training forces, let alone intervention.

How does all this relate to U. S. policy? It becomes more apparent that negotiation for a ceasefire is only wishfulthinking. The Communists want the food - producing potential more than the Japanese, who struck first in that area early in World War II.

Thailand, the largest country in the Southeast Asiatic Peninsula, would be the fattest prize of all and would carry the Communist control across the width of the 600 - mile area. It would be only a matter of time until infiltration southward would reach Malaya and ultimately the island of Sumatra.

It is unfortunate that negotiation will not stop the tide of Communist infiltration. It is equally unfortunate that we cannot rely on the Kremlin's intervention in our behalf. And that is what the U. S. is trying to do.

Our resourcefulness in arms will most likely be the only deterrent, perhaps like Korea. The realities of mass starvation press hard on Asiatic Communism, hard enough, we fear, to spill American blood.

What's Your Score? . . . .

If you haven't been -- cussed, coerced, pressured, talked about, harried, hurried, worried, concerned, bothered, disturbed, accused, distraught, laughed at, pushed, pulled, rankled, pleased, dismissed, rumpled, tired, nervous or otherwise acknowledged -- you haven't done anything lately.

Eight Await June 2 Outcome

By Vern Sanford

AUSTIN — Eight weary candidates who fought their ways into the finals of the democratic primaries now have June 2 as their next immediat target.

John Connally and Don Yarborough, two men who never have held an elective office, battled their way into the runoff for governor.

Gov. Price Daniel ran third and Atty. Gen. Will Wilson fourth. Marshall Formby, former chairman of the Highway Commission, was next and ex - Gen. Edwin A. Walker came in last.

It was clear that Texas democrats were ready for a change, and that they felt experience in state government was not the most important factor.

Jack Cox won the Republican primary and will take on the Democratic nominee on November 6.

Speaker Jimmy Turman of the Texas House of Representatives led five candidates in the race for lieutenant governor. State Senator Preston Smith of Lubbock faces Turman in the runoff.

Bill Hayes of Temple won the republican nomination for this important office.

The GOP will have no runoff for state office on June 2.

County Judge Woodrow Bean of El Paso and former Rep. Joe Pool of Dallas went into the runoff for Congressman - at - Large on the Democratic ticket.

Former Speaker Waggoner Carr of Lubbock and Tom Reavley of Austin are in the runoff for attorney general.

No matter how the four top races come out -- Texas will have an entirely new set of top state officials starting next January.

Some 114,000 Texans felt it was time to change parties and cast their ballots in the republican primary. State republican officials were "amazed and delighted" at the vote, and felt it will grow to many times that by November 6.

TESTBOOKS BACK IN LIMELIGHT

After seven months of hot controversy in Board of Education and House Investigating committee hearings over textbooks recommended by the 1961 State Textbook Committee, a new cycle of interest began Friday as the newly appointed 1962 committee held its first meeting.

The committee, made up of 15 educators from various congressional districts in Texas, has the awesome task of studying every book offered by textbook publishers. Five books on each public school course due for new material will be submitted to local school boards for selection.

Committeemen will study the books with the aid of some 700 advisors and readers during the summer months. Hearings on objections from organizations and individuals are set for September.

According to adoption procedures anyone may protest a book. But no one can defend a protested book except the publisher. He can file a written rebuttal after application for hearing objections are received in August.

One step toward blanket censorship was taken by the Board itself when it refused to accept Education Commissioner J. W. Edgar's recommendation to readopt five high school enconomic texts. Some board members felt that the books were anti - capitalist.

R. W. Byram of Austin ignored Rep. W. T. Dungan's request to hold action on the matter until the House Testbook Investigating Committee, which he leads, has time to evaluate the disputed books more carefully.

64 BILLION QUESTION

Officials at the Texas Highway Department started tossing statistics around like confetti as Governor Daniel proclaimed the week of May 20 - 26 as "Highway Week."

State Highway Engineer D. C. Greer called Highway Week "an appropriate time to pose the 64 - million - mile question," which means he's worried about meeting expected needs of Texas motorists who will travel 64 billion miles over state highways in 1970.

Today owners of Texas' five million vehicles drive about 43 billion miles a year. Ten years ago, they traveled only 27 billion miles.

The department began paving the way for the anticipated increase this week as Highway Commissioner Herb Petry Jr. announced approval of the 1962 Farm - to - Market Road program.

A total of 1,216 miles of new FM roads will be built at a cost of $23,500,000. Bids were received on 889 miles of highway repair which will run about $16,700,000.

THE OLD PHILOSOPHER

Philosopher Can't Figure Out How Farmers Will Ever Pay Any Withholding Taxes

Dear editar:

Gradually, over the years, Washington has gotten around to figuring out the surest way to collect income taxes, namely, every time a pay check is written. Just withhold it. This way the tax payer doesn't have to wait till the end of the year to pay it or the government to spend it. I wouldn't say everybody is happy under this arrangement but it seems to work. That is, it holds the national debt to 300 billion instead of 600 billion.

At any rate, I was interested in reading about a new group the government wants to put under withholding taxes -- the people who get dividends and interest payments. According to washington, around 8 million dollars a year in taxes could be collected if this income was subject to withholding.

I don't know enough about Washington to know whether this new law will go through, but I was just thinking, if it does, that'll just about wind up the possibilities for any further witholding taxes, with one exception.

That's farming. And what I'm wondering is, just how will Washington go about setting up a withholding tax on farmers? I've never known a taxing agency to get stumped before, but this may be the time.

Say I buy two Jersey steers for $150, keep them six months, feed them all the weeds, thistles and occasional blades of grass they can find, plus $15 worth of corn and sell them for $175, or a gross profit of $10, not counting my labor, depreciation on my fences, expense of hauling them to market etc. How much withholding tax should I pay? Or say I don't take them to market at all, just sell them to a neighbor? The trouble is most of my neighbors ain't equipped to handle withholding taxes. They don't have any government forms around the house

It won't work. As I see it, farmers will remain the only group of people in the United States the government will have to trust to pay their income taxes on their own on a twelve - months basis.

Yours faithfully,

J. A.

Beta Nu Honors Founders, Teachers At Marlin Tea

Beta Nu Chapter of Delta Kappa Gamma met in Marlin for a tea in the home of Miss Agnes Peyton May 5.

Better Living" was directed by Mrs. A. M. Tate. In her "Tribute to Founders and Retired Teachers," Mrs. J. D. Lewis lauded Dr. Annie Webb Blanton, one of the founders of Delta Kappa Gamma.

In her response Mrs. Ethel Hodge of Marlin suggested that retired teachers should look forward, not back, keep busy, and continue to be genuinely interested in church, civic, and cultural activities.

Following the program, new officers for the coming term were installed as follows: President -- Mrs. Byron Stubbs; first vice - president -- Miss Bertha Pendegrass; second vice - president, Mrs. Annie T. Magee; Recording Secretary, Mrs. Lillian Romain; Corresponding secretary, Mrs. Mary Kirkpatrick; treasurer - Mrs. Hel- Mrs. Geneva Hughes.

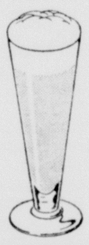
It happened 100 YEARS Ago

The oldest incorporated trade association in the country, the United States Brewers Association, was organized in 1862 . . the same year that

IN TEXAS . . the entire state waited, with hopes and prayers, for news of Terry's Texas Rangers, beloved for their courage, daring and skill as fighters. With Albert Sidney Johnston in Kentucky, in and out of Tennessee with Nathan Bedford Forrest, into Georgia with Fighting Joe Wheeler . . where there was a battle to be won for the South, the Rangers were there!



And then, as now, beer was the traditional beverage of moderation—light, sparkling refreshment that adds a touch of Southwestern hospitality to any occasion. Texans have always enjoyed the good fellowship that goes with every glass.

TODAY, in its centennial year, the United States Brewers Association still works constantly to assure maintenance of high standards of quality and propriety wherever beer and ale are served.

Texas Guardsmen In 15 - Day Test

FORT POLK, La. – Texas 49th Armored Division, mobilized last October, was busy testing its conventional and nuclear abilities this week as Exercise Iron Dragoon, 20,000 - man maneuver, passed the two - thirds mark in its 15-day schedule.

Iron Dragoon has included every tactical test of Army skills imaginable as the 49th has been battling force over more than 1300 square miles.

The Texas National Guard division is just concluding a training phase that is testing its ability to react from surprise nuclear attack, airlift supplies when ground supply lines are severed, evacuate mass casualties and conduct a retrgograde movement supported by massive artillery fire.

Training Exercise Iron Dragoon began May 1, and the early stages saw the 14,000 - member division drive Aggressor forces more than 20 miles and seize its objective, Peason Ridge.

Then, just as a mobile defense had been established on the ridge the enemy launched a 20 - kiloton nuclear blast (simulated) that started one of Dragoon's most significant phases.

Mass 49th casualties were processed through field de - contamination points and then rushed via truck, helicoptor and transport plane from the field to an evacuation hospital and an Army mobile surgical hospital -- all in a matter of hours.

Notice of the Names of Persons Appearing as the Owners of Unclaimed Amounts Held By:

THE CITIZENS NATIONAL BANK OF CAMERON
118 South Houston — Cameron, Texas

This notice is given and published pursuant to Section 3, Article 3272b R. C. S. 1925, as enacted by the Third Called Session, 57th Legislature of the State of Texas, effective May 3, 1962. This information is given in an effort to locate persons who are the depositors or owners of amounts in accounts that have remained inactive or dormant according to the provisions of Article 3272b for more than seven (7) years. The depository named above does not know the whereabouts of the depositers or owners listed below.

The amounts due the depositors or owners listed herein will be paid upon proof of ownership at the office of the depository named above. Any amount not claimed within nine (9) months of the date of this publication may be subject to report to and conservation by the State Treasurer in accordance with Article 3272b, Title 53, Revised Civil Statutes of Texas. The amount charged by the newspaper for this advertisement does not exceed the rate for legal notice publications fixed in Article 29, R. C. S. of Texas 1925, as amended, and the amount so paid may be charged equally against the accounts owing to the persons whose names are published.

EI&E

By E. K. Shaw
Extension Agent

Three Milam County Communities -- Griffin Chapel, Davilla and Gause -- have submitted completed record books in District competition of the Community Improvemtn Program.

There have been a number of both individual and group achievements among the three communitits. The four areas in which all communities worked and improvements listed included: Increasing and Managing family income; Improving Health conditions and services, Improving the home and farm and Encouraging Social participation.

Included among the accmplishments in the three communities are: soil testing for proper fertilization, sodding of coastal bermuda grass for improved pastures, use of certified seed and proper seeding rates, weed and brush control in pastures, improvement of breeding stock, control of parasites and diseases in crops and among livestock and poultry, educational training meetings for adults, improved family money management practives.

Many of the families have also planned and provided adequate food for the family, as recommended in the Texas Food Standard, purchased clothing for each member of the family, submitted to a medical check - up by a doctor and corrected safety hazards in the home and around farm buildings. Five new homes were built and twenty-four were remodeled or repaired. Household equipment in the form of washing machines, home freezes and kitchen ranges were urchased.

Community - wide projects included cemetary clean - ups, neighborhood recreation nights, pick-up and removal of tin cans and other unsightly objects from around the farm and home, planting of trees and shrubs, and increased family participation in church work.

The community improvement program is sponsored by the Electric Utility Companies of Texas, in cooperation with the Texas Extension Service. Cash prizes totaling $6,800 are available to winning communities.

MAY DAY FESTIVAL SET FOR ROCKDALE

The Annual May Day Fun Festival for both adults and 4-H Clubbers from over the county will be held in the City Park Saturday. Included on the day's activities will be educational exhibits and demonstrations, a 4-H talent program, soft ball, and other games and "folk" dancing.

Cash awards will be presented to several 4-H Clubbers and the girls will participate in a Dress Revue. Davilla, Gause and Griffin Chapel will receive Certificates of Achievement for their participation in the State - wide Community Improvement Program. The public is cordially invited and all committees should plan to carry out their responsiblites for the day. Refreshments, including soda water, hamburgers, hot dogs, ice cream and barbecue will be available.

SWINE DEMONSTRATORS TO RECEIVE AWARDS

Beth Nelson, 4-H Club girl of Griffin Chapel, along with Larry Raye, Davilla, Frederick Kelley, Cameron; L. S. Stephens, Yarrleton; and Roger Petty, Jones Prairie will receive cash awards amounting to $75 for their participating in the recent 4-H Sears gilt shows.

The highest amount, $37.00 will go to Roger Petty of Jones Prairie who showed the winning gilt at Prairie View.

RODENT CONTROL SPECIALIST CONDUCTS TRAINING

Virgil Parsons, Rodent control specialist with the Extension Service, and the USDA conducted two training meeting with community leaders in the Cameron was to assist in kicking off the Clean - Up the Negro Welfare Council beginning May 18 through May 31.

All concerned families, leaders and organizations are being asked to cooperate.

BROILER CHICKS

Broiler chick placement in Texas during the first quarter of 1962 total 33.7 million, or an average of 2.6 million per week, reports F. Z. Beanblossom, extension poultry marketing speciaist. He adds that second quarter prices to producers will average below those for the first quarter and probably will not be much higher than the greatly depressed prices of last year. Broilers continue to be a good food bargain, he said.

Mr. and Mrs. Leo Fuchs are attending the National Council of State Garden Clubs in California. They will be gone two weeks.

PM

Mr. O. M. Smith attended the State Bankers Convention on Sunday and Monday in Galveston.

Senior Class Presented Play Fri.

The Senior Class of Yoe High presented "Onions in the Stew" a comedy in three acts by Betty McDonald, at 8 p. m., Friday, in the Yoe High Auditorium.

The story was based on the true life experience of Betty MacDonald and her family in their island home on Puget Sound right out of Seattle. The play began on a fall afternoon with the MacDonald family gives a realistic picture of all the advantages of island life especially where there are two teenage daughters and a host of friends.

The cast included Rebecca Harden, Phillip Hubnik, Patti Hightower, Suzanne Lippman, Dan Brashear, David Hudson, Charles Schuhsler, Theresa Koranek, Sandra Baskin, Doris Trdy, LaNelle Russell, Joyce Terry, Lanette Laffere, Margaret Nance, Ernest Bayer, James Edwards, Jim Peed, Connie Gerick, Martha Mayer, Jimmy Woodum, LaNell Rogers, David Walston, James Anderle, Frances Jackson, Billy Hawkes, Bobby Hillman, Thomas Leonard, Paul Hauk, Joe Hosch and Johnnie Richter.

Nurses Class Has Picnic Here Sun.

Graduates of the School of Nursing of the Cameron Hospital held a reunion in City Park Sunday. The hospital is now known as St. Edwards Hospital.

Graduates from all parts of the state gathered for the picnic lunch and a tour of the hospital.

Those attending were Mrs. Andrew R. Ritchie of Brownwood, Mrs. Kathryn Mabry Hale of Tyler, Mrs. L. Yeager Smiser of Boerne, Mrs. Margaret Stevens Sterling of Baytown, Mrs. Lola Maxwell Hackel of Marlin, Mrs. Itasca Russell Yancy of Abilene, Miss Lucy Merka of Benchley, Mrs. C. F. Molhoman, Jr. and Mrs. Neva Duncan Henderson of Waco, Miss Marzilla Jinks, Miss Agatha Moraw and Mrs. Avis Spittler Nottingham all of Temple.

Those from Cameron attending were Mrs. Leroy Wheeler, Mrs. F. E. Jackson, Mrs. Thelma Ray Griffen Barrett and Mrs. Marie K. Parma.
